O. F. WILLIAMS WILL ADDRESS

The Canton High School During Commencement Week.

ON THE BRIDGE WITH DEWEY

At the Time of the Battle of Manila Bay-Be Is the Man Who Tried to Get A Cavite Gun For Canton.

The arrangement for the speakers

who will deliver the addresses at the High school commencement exercises, week commencing June 18th, has been decided upon and the announcement has been furnished by Superintendent of Schools O. A. Wright. Monday, June 18th, the senior class of the High school will hold their class day exercises. Tuesday, June 19th, will be devoted to the Commercial High school classes. The address for that occasion will be delivered by Oscar F. Williams, ex-United States consul to the Phil ippines. In this connection it may be well to state that Mr. Williams was referred to in a speech delivered by Admiral Dewey at Manila November 28th, 1898, when he said, "My friend Mr. Williams stood beside me on the bridge of the Olympia the day when we fought. He was in just as much danger as I but he has the advantage of me, he can talk, and I can't." The subject of his discourse will be "The Duty and Dignity of Greater Americanism."

Williams is the man who wrote Mayor Robertson some months ago relative to a cannon which he had secured at Cavite, but the government refused to turn the cannon over to this city, stating that "one cannon was enough for one city." Williams made every effort to secure it, but his endeavors seemed unavailing with the government offi-

cials, and the gun will not be received. Wednesday, June 20, the High school commencement will occur, and the address will be delivered by the wellknown author and lecturer, Dr. Lewis Albert Banks. Subject, "The 20th Cen-tury Knighthood."

LOOKING FOR CLUES.

Alliance Officers Trying to Find The Person Who Deserted The Babe.

Special to News-Democrat.

Alliance, April 25.-No material clue has been secured to the party who de-serted the little babe at the depot here during Sunday night. Several seemingly reliable clues have been followed up by Officers Stacy and Weir and Chief of Police P. D. Howell. No arrests of detentions have yet been made, however, but the search for the parties is to be prosecuted without any delay.

Since the finding of the child some matters have developed that tend to place the blame for the incident upon wo women who are said to come to Alliance from Cleveland Sunday evening. Descriptions of the persons as given by different men who saw the women, seem to tally so closely that the officers who have been working on the case are much encouraged.

The night clerk at the Russell house may possibly be able to throw some light upon the situation. The house sheltered two strange women while they were waiting for train No. 8 early Monday morning. It seems that the strangers, accompanied by a man, registered as Charles F. Alden of Cleveland, went to the Russell house about 12 o'clock Sunday night. They said this liberal order is for the they desired to wait there until the demonstrating the unusual were going to leave Alliance for the

They were told it was against the rules of the house to allow any women in the parlors of the hotel at such a late hour. Each then registered for a room and requested that they be called at 2:30. One wrote her name as Francis Nichols of Cleveland and the other as Mattie McElhaney of Salem.

The night clerk at the hotel says that the women appeared quite nervous at the time and seemed to want to avoid all observation. They carried no bundle, however.

It is possible that the child was de serted some time before midnight, having been brought from Cleveland the
